

## Genetics Society Carer's Award

Monogram is pleased to announce that this year the Genetics Society is sponsoring three Carer's Awards.

In recognition of carer's responsibilities, an award of (up to) £60/day (three days) will be made available to enable three selected delegates or speakers to attend MonoGram 2020. Awardees can spend this money as they think will best support their attendance. Non-members are eligible to receive the funding.

Nominations: applicants should submit a brief (*max 300 words*) text providing:

- Career stage.
- Description to caregiver role. (*Note: there is no age limit restriction for dependent*).
- Justification of the need for this award.

Priority will be given to early career scientists and according to need.

To apply please send your text to [monogram20@hutton.ac.uk](mailto:monogram20@hutton.ac.uk) by Friday 27<sup>th</sup> of March. If awarded the local organising committee will contact you by Friday 3<sup>rd</sup> of April.
